TIPS FOR SUCCESS

Early Completion of File

It is important to contact **each** academy you have chosen as soon as possible. Early contact allows for the completion of your file including medical testing and may better your chances for an appointment should you receive a nomination.

United States Merchant Marine Academy:
www.usmma.edu

Admissions Office
U.S. Merchant Marine Academy
300 Steamboat Road
Kings Point, NY 11024-9997
1-800-732-6267

Early SAT/ACT Testing

This is very important, since the Academies use test scores as a primary method of evaluating candidates. If you take the tests in the spring of your junior year, you have a chance to retake them in the fall and raise your scores.

Nominations

Due to the competitive nature of the nomination process, you should seek as many nominations as possible. In addition to Congressman Sali, be sure to contact Senator Craig, Senator Crapo, Congressman Simpson as well as Vice-President Cheney.

Senator Mike Crapo
111 Russell Senate Office Bldg
Washington, DC 20510
202-224-0851

Senator Larry Craig
490 Memorial Drive, Suite 101
Idaho Falls, Idaho 83402
208-523-5541

Vice-President Dick Cheney
Eisenhower Executive Office
Washington, DC 20501
www.whitehouse.gov/vicepresident

Congressman Mike Simpson
802 W. Bannock Ste 600
Boise, ID 83702
208-334-1953

Residency

Please read the following memo on residency requirements.

If you are seeking a nomination to the U.S. Merchant Marine Academy, you may only apply for nomination from congressional representatives from your legal state/district of residency.

So, in addition to Congressman Sali, you may also apply to Senator Craig, and Senator Crapo. You may also apply to Vice-President Cheney as he nominated from the nation.

Please keep in mind, the place you currently reside does not necessarily constitute your legal residence.

If you are a student, you must use your parent's legal state of residence. For instance, if your parents were transferred by the military to Idaho but their legal residence is Texas, you must apply with the Representative from the Texas Congressional District, even though you now live in Idaho.

Here are key questions that determine residency for you and your parents:

Legal State of Residency?

Home of Record?

In which state do your parents pay taxes?

In which state are your parent's cars registered?

In which state do your parents vote?

If your father/mother is a legal resident of another state yet your other parent works in Idaho and is able to answer Idaho to the above questions, then you may claim Idaho. However, if neither parent fits the criteria, you must apply in their legal state and district.

The academies are very strict about residency requirements, so if you have any questions, please contact Josh Callihan at 208-667-0127. Non-student applicants should also call if they need assistance in this determination.
